with support”*

Living at Chartwell Oak Park Terrace Retirement Residence

Located in the senior friendly community of Windsor, Chartwell Oak Park Terrace Retirement Residence offers residents an independent lifestyle coupled with the extra support they need to remain active, healthy and engaged well into their retirement years. In close proximity to the local community centre, medical offices and shopping, Chartwell Oak Park Terrace provides residents with a warm and welcoming environment, top-quality care, and a wonderful community reputation in an established, well-known neighbourhood. All suites are conveniently located on the main level of the residence, providing greater mobility for residents and easier access to all on-site amenities.

Peace of Mind

With a variety of amenities, services and special features, we offer you a safe and secure environment while you continue to enjoy your daily life engaged with friends, family and the community.

Dine Well

At Chartwell Retirement Residences, we offer choice in our daily menus and balance your individual dietary needs with a variety of healthy, nutritious options. Our chefs take great pride in creating home-style favourites, themed meals and delicious desserts while meeting the Canada Food Guide's nutritional standards.

Active Living

We recognize that our residents are diverse individuals with varying interests and abilities. Our programs and activities are designed to engage you physically, socially, intellectually, emotionally, spiritually and through vocational pursuits, so that you stay healthy, vibrant, inspired and fulfilled. Whether it's quietly enjoying a book or participating in a social activity, the choice is yours.

Care & Services

At Chartwell, we are committed to helping you enjoy your retirement years with the comfort, dignity and peace of mind you deserve. One of the features most appreciated by our residents and their families is the knowledge that we are committed to making you the focus of our efforts every day.
